

**VIII. Give solutions to the following problems:****2x6=12**

1. Noorjahan's house is situated on the roadside. She likes to keep everything neat and clean. Sweeping, dusting and beautifying her house every morning and evening is her routine. But she throws all the dirt and rubbish on the public road. When her friends asked her why she threw all the garbage on the road, she answered, "I have freedom to throw the garbage on the road. Let the sweeper woman who cleans the road daily, remove this also".

a) i) Do you like the behaviour of Noorjahan?

ii) Why?

b) If you were her neighbour what would be your suggestion to her? Give two suggestions.

c) i) What is cleanliness?

ii) Did Noorjahan exercise her freedom rightly?

2. Savitha and Kavitha are neighbours and close friends. One day Savitha fell sick and was hospitalized. Later she was diagnosed with a deadly disease. When Kavitha came to know about it, she not only refused to pay a visit her in the hospital, but also stopped going to her house when she came from the hospital. However, Savitha was longing to see her friend.

a) i) Do you appreciate the behaviour of Kavitha?

ii) Why?

b) i) Should we help the sick and needy?

ii) What should be the qualities of good friends?

c) If you were in the place of Kavitha how would you have behaved? Explain.
