2. Ravi was a ten year old boy who had newly joined the school. In the school, he tried to participate in all the activities of his class. He was very much interested in elocution. He was excellent basketball player. At the same time he was a diligent student. Ravi was proud of his abilities. He wanted to be popular. He wanted everyone to praise him. He had fiery temper, which got easily out of control, if somebody provoked him. So his classmates tried to avoid him as much as possible. Everybody left him alone. So he had no friends. Shan was another student of the same class. He was average in studies but good at sports. He liked Ravi as he was an active student. He requested Ravi to guide and help him. Ravi happily did so. Now Ravi and Shan both became friends. This made Ravi feel comfortable.

a) **Write any two good qualities of Ravi?**

b) **Is it enough to be smart and clever to become popular?**

Give your suggestions.

c) **What qualities of Shan do you want to imbibe?**
